

At Watermark Residences, our commitment to a "People First" philosophy sets the tone for an exceptional living experience. Embodying our vision for luxury golf-side living, we have meticulously assembled a team of experts, each excelling in their respective fields, to bring this vision to life.

## *From our Village Manager*

Welcome to our first quarterly Watermark Residences Newsletter. As we bid farewell to 2023, it brings immense pleasure to reflect on the strong sense of community that our residents are already cultivating together.

With construction progressing well, we eagerly await the village's opening in late 2024. Beyond construction, our commitment lies in fostering a culture of health, wellness, and strong community bonds.

I look forward to my continued friendship with you all in 2024. From all the team at Watermark Residences, we wish you and your families a happy and safe Christmas holiday.
