

Care Concierge

We are committed to the idea of residents staying in their home for as long as they desire. If any concerns regarding personal health or home care arise, our dedicated care concierge, Vitalis, will be available to assist residents.

We firmly believe that your good health, overall wellbeing, and independence are paramount for leading a fulfilling and joyful life.

Vitalis are honoured to join Watermark as an integrated, optional tailored community health service.

As a 'people centric' company, Vitalis will go hand in hand with other convenient and life enhancing services that keep you healthy and independent within your home and preferred environment.

Vitalis services are accredited with the Australian Council on Healthcare Standards (ACHS) ensuring the highest standards of clinical care are maintained, and includes full clinical governance.

For more information on Vitalis, visit [Vitalis Health and Home Care](#).

Resident Spotlight

We are delighted to introduce Bruce and Sue to our Watermark family.

"Why did we choose Watermark? There is no doubt that this development is superb, with clean lines, fresh look, great size and fitted the bill for what we wanted and needed in our retirement, and in particular, we just love this area."

You can read Bruce and Sue's testimonial, along with others on our [website](#).

Sustainability is at the core

In our effort to minimize our environmental impact and decrease our carbon footprint, each apartment will be equipped with a solar power system that will generate and store 100% of the electricity needed for your apartment.

This means that residents will never receive a power bill for their home.

Furthermore, as part of our continuous dedication to sustainability, residents will also have the privilege of accessing two community electric vehicles.

Whether it's a quick grocery run or a leisurely drive through the scenic surroundings, these electric vehicles are here to serve you.

Did you know?

As a resident, you will have access to our very own shuttle bus twice a day, 7 days a week to Chatswood CBD, Lane Cove Village and other surrounding areas.

A public bus to Chatswood will be available every 40 minutes from Beaconsfield Rd, opposite Cramer Crescent.
